

REMARKS

5 The status and entire text of claims 1-13 are presented in this amendment. In particular, claims 1, 7 and 9 have been amended to remove various indefinite phrases that resulted in the transulation of the claims from French into English. No new matter has been added and as a result Claims 1-13 now present should remain allowable. This amendment is be presented after receipt of an office allowance and is the first opportunity applicant has of amended the claims.

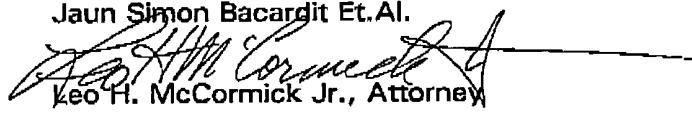

10 A new abstract is being presented that is in accordance with the current limitaiton of 150 words.

The entry of this amendment should be a matter of course and on reading the amended claims it should be evident that the amemement more clearly recites the invention in a consice manner.

15 Should the examiner have any questions, applicant request a phone interview with attorney McCormick at the following phone No. 574-233-7369.

Respectfully submitted,
